

# High Impact Communication

## OVERVIEW

Effective communication stands as a cornerstone for success. This course is designed to empower individuals with the skills and strategies needed to elevate their communication prowess to new heights.

## LEARNING OUTCOMES

**Participation in this course will give you:**

- Knowledge of the nuances and challenges that Face-to-Face and Virtual Communication can pose
- Awareness of the importance of both Big Talk and Small Talk and when to use each
- Knowledge of how the Tuckman Model is used to aid lines of communication during team development (Forming, Storming, Norming, Performing, and Adjourning)
- Ability to use Story telling to communicate: Crafting compelling narratives to engage and inspire team members. Utilising storytelling as a tool for conveying complex ideas, values, and vision
- Awareness of Teamship: Fostering a collaborative and inclusive team culture. Building trust and promoting open communication within teams
- Ability to give feedback: The importance of feedback in employee development and performance improvement. Techniques for delivering constructive feedback in a manner that inspires growth and motivation
